Remember

- The backup is chosen by the person receiving care, and they meet first
- A backup follows the same rules, works within the hours in the plan of care, and is paid only after they're enrolled
- Only one caregiver is on the clock at a time
- Use the backup sometimes, so the main caregiver can rest

No one in the family? Find CDS Caregivers is a private caregiver directory for families in the CDS program: findcdscaregivers.com. You still choose who you hire.

Approved Consumer Directed Services are paid for through Missouri Medicaid. There is no charge to the consumer for services and hours authorized by the state. General education for families, not legal or tax advice.
